Peggy Heino, graduation usher, occupies her post at the Honors Day assembly.

When all of us filed into the gym to watch our classmates receive honors and awards, we suddenly realized that the end was almost here. As we were measured for caps and gowns, we felt very grown-up and important. A lot of study had preceded all these ceremonies.

Sandra Potrafke, Charles Cullins, Larry Howell try on caps and gowns.

◆ In Thornton's library, there was some attempt at study, at times.

By some stretch of the imagination you might say we organized our time like the contents of a book, but we found it hard to follow. The account here, however, is fairly logical.

We worked in several kinds of laboratories. We studied the principles of heat and light in our physics labs, tried hard to understand such difficult units as the nature of electricity and the qualities of sound.

Some of us studied chemistry. Several times a week, we wrapped ourselves in those big, gray, shapeless chem aprons and went into the lab to revolutionize the scientific world—or to revolutionize the chem lab, anyhow.

Boys and their dads, like Tim Kenniges and his father, at the Father-Son Stag were interested in the wood shop.

Al McLaren operates a lathe in wood shop.

In our shop courses we learned how to use a variety of new found skills and crafts. In the wood shop we fashioned practical furniture, and spent our time on many different projects during the year. In auto mechanics shop, we made use of practical knowledge to successfully complete various assignments. With latest equipment and supplementary educational facilities, we studied hard and long in shop courses. Some of us took part in the Diversified Occupations Program which allowed us to attend school and secure experience while on the job. Industrial education was an important part of school life.

The climax to our efforts came when we took our Dads on a personal tour of the shops at the Father-Son Stag, January 20.

Miss Hurley, Miss Bartholomew, and Miss Henderson at the library open house.

But it wasn't all work. There were numerous social events, too, all of them managed and enjoyed by students. Among the first parties was "Flapper Follies", held early in the first semester to acquaint us with some of the new girls around FHS. After the reception line and coronation of Sara Morse as queen, we sat down to enjoy "stunts" performed by groups of freshmen, sophomores, and juniors. Then, a real treat—the senior style show. It was fun to see those chic outfits contrasted with costumes that were in vogue thirty years ago.

We really liked "Stompin' at the Igloo", the Junior-Senior Party. School was out, and were we glad! We were in the mood for a holiday party, so we danced for an hour or two, and then stopped for awhile to watch the entertainment. After that, we danced until midnight and had a snack to top off our perfect evening.

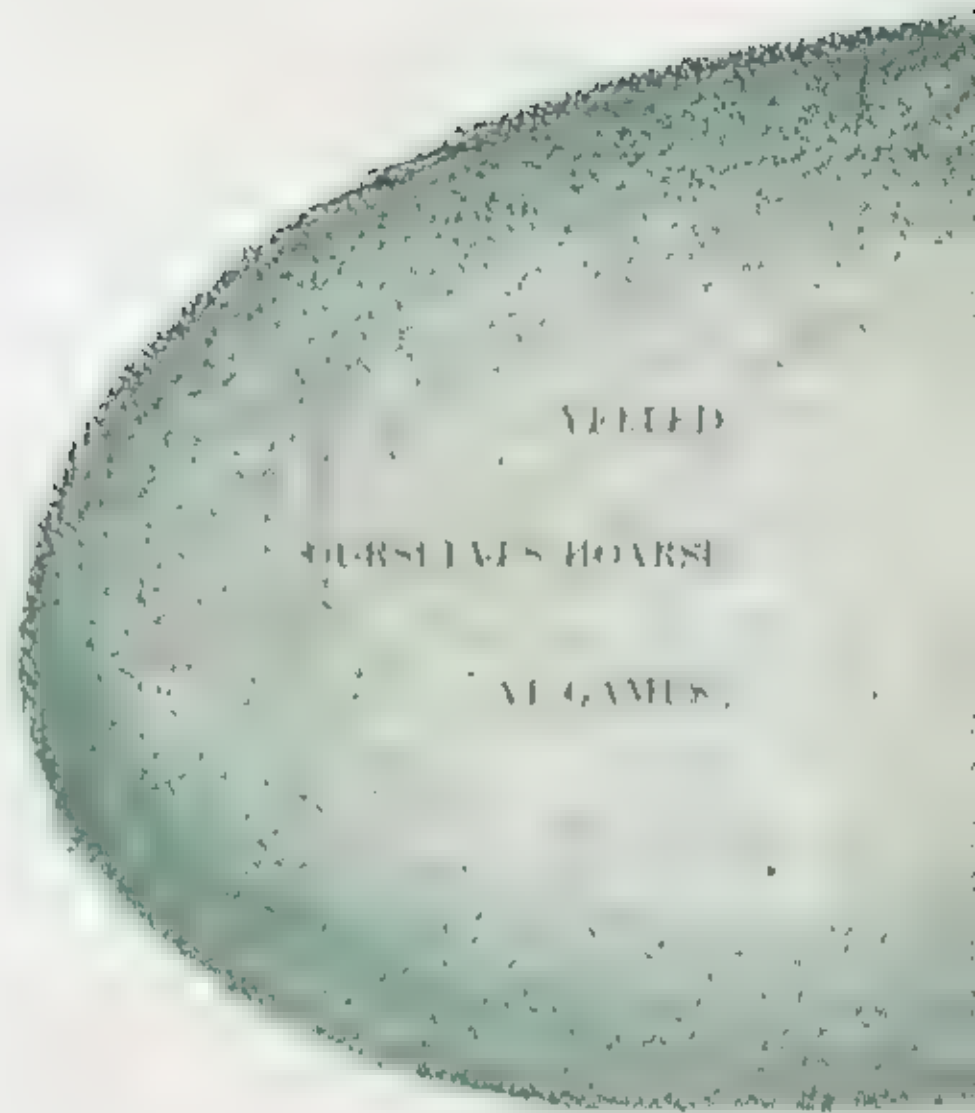

"Stompin' at the Igloo" was the theme of the Senior-Junior party at Christmas time. Among the dancers were G. Lynn St. Louis, Chuck McKeen, Pat Carroll and Fred Owing.

We had our lighter moments, too. We proudly saluted and cheered as we sang our Alma Mater and other school songs. We held our pep assemblies in the gym as well as outdoors—depending upon the weather. We participated in stunts and we presented humorous meetings. From a mock game of football to a Mr. Sandman winging his way in the gym, we loyally cheered our teams on to victory. Teachers and students were in our skits.

We followed up the pep meetings by supporting our teams at the games.

Club meetings, council sessions, and parties were an essential part of our life at Thornton. Clubs were organized according to our needs and interests. For students of Spanish, French or German, there were El Club Espanol, Cercle Francais, and Deutsche Ecke. Through these clubs, we learned about what life was like in foreign lands, and learned to understand our neighbors around the world a little bit better.

We had hobby clubs, like the Camera Club. We had career clubs too. Medical Arts Club, better known to most of us as the MAC, conducted meetings, showed movies, and held parties during the year for girls who were interested in the field of medicine as a career.

For others, there were the Pedagogos, and the newly organized Retail Selling Club.

Yes, Thornton needs the services and cooperation of many people in order to function with speed and ease. If Mr. Phillips had a dime for every time he's answered questions like "What's my class rating, Mr. Phillips?" or "Do you have a catalog of colleges I could borrow, Mr. Phillips?" he'd have a small fortune right there.

If we didn't have Mr. Umbaugh, we would need at least two men to do his work: one to sponsor the Boys Club and Purple X and one to serve as director of the night school and do the hundred and one other things that we rarely know about.

We'd need two deans of girls, too, if we did

not have Miss Wilson to steer the Girls Club on its course and perform dozens of other duties.

It was only at semester exam time that we became aware of how important that complicated machine down in Dr. Maddox's office could be. It was there that standardized tests were graded. We knew, rather vaguely, that finding substitutes for absent teachers was part of the job he had to do as assistant superintendent.

We saw Dr. Hanson mostly at all-school assemblies but we knew that he was around, seeing that things went off according to schedule. Reporters liked to interview him.

Mr. Carl Mendenhall explains a point to his student referee, Dick Taylor, at an intramural game. Bob Genser is the player.

Miss Jennifer Hince took a personal interest in all her students. This time it was Angelo Pennizzo.

Mrs. Marguerite Godwin reads to an English III class.

To have a school building was not enough. We needed a little more to make that building an institution for learning. It took students, work, and proper methods, but most of all, it took the presence of teachers.

We needed a faculty to acquaint us with the real spirit of Thornton. We needed someone to turn to for help when the going got tough. We needed someone we could call upon without being unbearably formal, a someone whose prime interest lay in helping young people.

We found all these needs in our faculty at Thornton. We found teachers who were willing to give of their time and patience to explain what we wanted to know. We found these same teachers giving other time to sponsor our activities.

We found, too, that it took a working faculty to keep us in line. To combine personality with character and learning wasn't easy. Most of all, though, we found that we had learned to depend on our faculty as one friend depends on another.

School days were really quite long, but somehow they always seemed to be ending when they'd only begun just a little while ago. We would arrive in the morning, sometimes early, sometimes late, wondering why school couldn't start at eleven instead of eight-thirty. Our days included many things—perhaps a Home Ec luncheon, or working as assistant to a dean or class principal, or minor details like drinking fountains.

A party wouldn't be a party without Mrs. Hodge to take care of the canteen.

A big building like Thornton required more than a faculty and students. It needed a group of people to make its internal side function as it should. We found the answer to this problem in our staff members. Made up of many people, our staff met and overcame daily disturbances in school routine. When we needed chairs for a pep assembly or concert, we called on the staff. At open houses and dances we found staff members on duty continuously. It was the staff who kept the halls and campus clean. The staff cared for our gridiron, track field, and gymnasium. Jobs big or small were tackled with the same willingness. In the cafeteria we found the staff ready to serve us. Our staff contributed many things to life at Thornton.

CERAMICS CLASS Diane DuBoise, Mr. Sweeney

As freshmen we took that required course in Basic Art, looking forward to the days when Art I class met. We'd go over to the art rooms, wondering whether it would be chalk or water colors that time.

Some of us took more advanced and specialized courses. There was sketching class, where we studied proportion and line, and eventually, used one another as models.

Classes in handicrafts, drawing and painting, pottery, and jewelry displayed their work in the glass-covered showcases in the main hall. The entire Art Department combined forces to decorate the halls for Christmas, and all year long they were kept busy making dozens of publicity posters.

Eleven of them contributed the sketches for the yearbook. They were Janet Brown, Pat Cherullo, Marlene Czarnocki, Dorothy David, Pat Gibbons, Diane Hamlin, Gaylene Landmark, Mary Beth O'Connor, Judith Porter, Larry Sons, Mary Kay Skerry.

TYPING Damon Rockett

In business courses we learned everything possible for use after graduation. We studied long hours before a typewriter, fervently hoping that our fingers were on the right keys, but too afraid to take a peek and see.

In shorthand classes we were taught how to translate and how to write those foreign little scribbles that saved so much time as we took notes in other classes.

In advanced typing courses we practiced even more difficult exercises and took over the responsibility of typing tests and absentee lists. In secretarial practice we used dictating machines and tests, and we mastered the many skills of business. Salesmanship and bookkeeping completed the study of business methods.

Thorntonites express their ideas constantly — in speech and in writing. Sometimes we talk at the wrong times, or in the wrong places — in study hall, perhaps, or in class. Other times, we don't speak when we should; for instance, when we're asked the answer to a math problem or requested our opinion on a difficult subject.

We talk in the halls and tunnel, ask and answer questions, and thrash out those troublesome math problems. We compare notes any place and any time — in the library, on the campus, or between classes. Conversation really reaches a peak in the cafeteria. Speech and debate teach better ways to express ourselves. Foreign languages and shorthand are new to us, too.

We had some serious moments in our classes, too, in the realm of science and scientific know-how. We started our basic study of all science in General Science, where we learned in general terms the most apparent facts about science. We watched experiments and demonstrations with awe as we tried to understand what they were all about. As we studied various units in the textbook, we related everyday occurrences with scientific fact.

We learned more about atoms, molecules, and nature in our study of Chemistry. During the week we correlated lectures and labs to do some scientific thinking. When we left the Periodic Chart and the equations and formulas, we felt like brand-new intellects.

Future homemakers finish their basic training in the Home Economics Department. One of the many things in which they receive experience is correct procedure in making clothing. They learn to cut out garments correctly, fit them exactly, baste, stitch, and finish.

A foods class includes instruction in combining ingredients, cooking, and serving tasty meals. Since the girls eat their daily assignments, they do the best work they can.

A Homemaking Department must have modern equipment to be of real value to its students. Ours is superior in this category. We have sewing rooms equipped with convenient tables and storage space, modern sewing machines, and approved lighting. We have well-equipped kitchens with new sinks, cabinets, and stoves. There's even a food freezer for long-range assignments. Luncheons, style shows, and teas make constant use of this fine equipment.

We needed other things to make our stay at Thornton complete besides faculty, administrators, and staff. It took volunteers in many endeavors to make Thornton function properly. There were the checkers in study hall to take roll. They helped teachers signing re-entrance permits, and keeping order in the room.

Volunteers were needed in other fields too. Girls helped the nurses by acting as assistants, keeping files and records and acting as receptionists, members of the Medical Arts Club used their experience in a practical way.

Volunteers as office assistants, librarians, lost and found clerks and book store clerks helped Thornton run more smoothly. Student volunteers served in the English Rental Library to check in books and deliver them to English teachers.

Physical education is an important part of every Thorntontite's program. All students are required to take gym for four years, and the programs are quite extensive.

Freshman girls gym includes games and tumbling, hygiene, and dancing. During the next two years, girls are given a choice of sports, modern dancing, or swimming. Senior girls study first aid, plan parties, and play games such as ping-pong, badminton, and shuffleboard.

Boys physical education includes hygiene, team sports, tumbling, wrestling, swimming, and first aid for underclassmen and juniors, and individual sports such as badminton and shuffleboard for seniors. The whole program aims for strong, healthy students.

In the Girls Club, certain activities have become traditional.

There is the Freshman Stand-Up, one of the first parties in the fall. Newcomers to Thornton go through the hand-shaking ceremony to meet club members. So many come to the party, there's no room to sit down so they call it the Stand-Up.

On Scholarship Day, girls with scholastic records of straight A are honored. Those with several semesters of A rate special honors.

Daughters invite their dads to a dinner party and persuade some of them to help in the entertainment afterwards.

Thorntonites like to honor their parents and teachers. Five times each year, banquets and parties are given in their honor. A "Banquet of Snow" was held in mid-December for daughters and dads. Fathers were honored in January, at a Father-Son Stag, sponsored by the Boys Club. About eight o'clock on a Saturday evening, pops and sons filed into the auditorium to hear Mr. Edward McFaul. Boys dated their moms in March at the annual Mother-Son banquet. Girls treated their mothers to the annual Mother-Daughter banquet in May. Girls Club invited favorite faculty members to a tea one February afternoon.

What a time we had at the Homecoming Dance! It really did pour that night! We had to run from our cars to the new gym, but once inside, it was heavenly. We danced for a while, then watched the entertainment. Harvey Hoofers did a number, there was a vocalist or two, a modern dance, and finally the long-awaited moment - crowning of the Homecoming King and Queen.

Somebody announced that Lois Cohenour and Dick Bennet were the royal couple - and then last year's king and queen crowned them. After we danced and talked until twelve, we left for a midnight snack. It was still pouring, but we didn't care.

Such a wonderful homecoming weekend! There was the swell pep assembly Friday on the football field. Then the game where we fractured Danville, 35-0. Saturday night's dance had "Holiday Rhythms" as its theme and the crowning of the queen and king as its highlight. To top it off, the rain became a flood and we had two days off school.

Two dates from Bloom found it a wet evening.

The gym floor was busy at Purple A open houses after the games

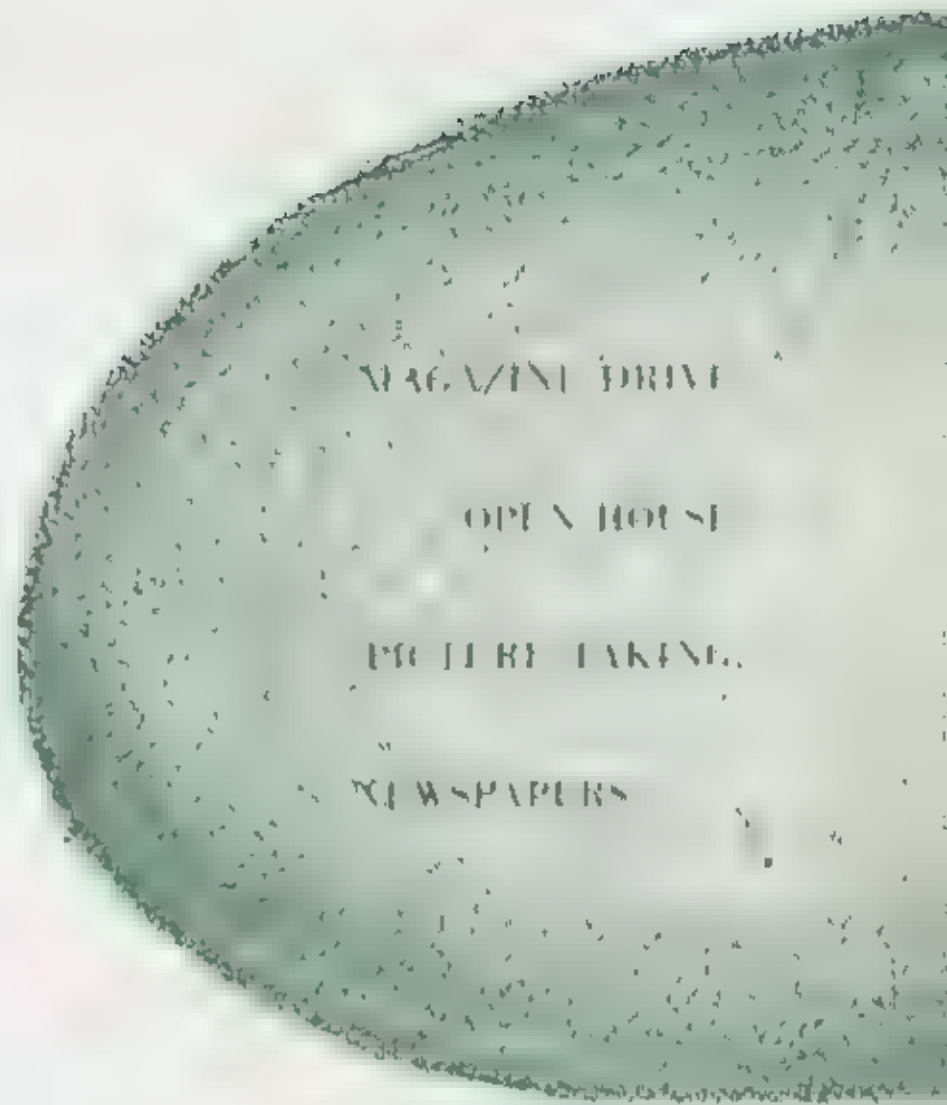

Thorntonite officer was a madhouse on Wednesday morning. Carol Kern, Kathy Pirsch, Barbara Tordson, Gerry Pilumbo, Carol Sutor, Maureen O'Connor.

The dance floor, after a game, was crowded with happy Thorntonites because the Wildcats had won again.

Girls might complain that too few boys had the urge to dance, but everyone seemed to have a good time. Even the faculty, some of whom had to be high-pressured into acting as chaperones, enjoyed the party in spite of themselves.

Little Kenny Fehr showed up several mornings with his mother when she came to do book work for the magazine drive. He was fascinated by the big camera and the lights which accompanied picture-taking for the yearbook. Students liked it too, because they got out of class.

BAND Janet Zander.

Thornton's cheerleaders, as usual, lent much to the revival of school spirit through the entire year. Never a pep assembly or game went by without the presence of those girls who stimulated yells and cheers from the crowd. These girls devoted much of their extra-curricular time to learning and practicing cheers used at games.

Not to be outdistanced by anyone, Thornton's band had a busy year. In addition to conducting the annual Band-Tag Day and the Band Concert, the band also played at most events. New uniforms gave the group a boost for their concert.

Year's end is a time of tradition. Ordinarily, on Flag Day, the entire student body and faculty crowd around the flagpole out on the campus, with graduates in the center, wearing robes and mortarboards. The senior class president turns over our American flag to the custody of next year's senior class. As the flag is hoisted to full-mast, everyone repeats the pledge of allegiance. Or if the weather is rainy, the affair is in the gym.

On Honors Day, seniors march into the gym in caps and gowns. After athletic awards, activity awards, and many others, National Honor Society members and honor roll students are announced to an eager crowd. At Commencement, as the choir sings "The Halls of Ivy", we realize this is goodbye.

After going through the courses in the year at Thornton, it took the appearance of a yearbook to bring back memories forgotten. We looked at activities of ourselves and classmates. As we turned the pages, we saw pictures of our clubs, organizations, and student friends. The faculty and administration, staff and students, everyone at Thornton was represented in some way. Seniors thrilled at being in the "lag picture" section, while juniors thought they were finally getting somewhere. As we picked up our Thorntonites at the Boys Club Office, we realized that all the work and play we had done here at Thornton was symbolized between the pages of a yearbook we could truly call 'ours.'

Thornton's four major organizations are known as the Big Four: Girls Club, Boys Club, KIP, and PX. These groups are the governing bodies of THS.

PX, meaning Purple X, is an elected group of students who sponsor dances after football and basketball games. Leadership in school affairs is the qualification for membership; service to the school is the aim of the group. Their name comes from purple, one of the school colors, and X, the unlimited service which the committee can perform.

The Girls Club board is an elected group of girls. It consists of six seniors, five juniors, four sophomores, and three freshmen. The club secretary and treasurer must come from this group.

Thornton's Boys Club is the one club that all Thornton boys can belong to. Upon joining the organization, each boy receives a membership pin and card.

The club sponsors many activities through the year. Some of these are the Father-Son Stag, Boys and Girls Club Play, Mother-Son Banquet, and Boys Club Open House.

The Boys Club Board is the governing body of the club. It consists of one freshman, two sophomores, three juniors, and four seniors. They elect their officers who are president, first vice-president, second vice-president, secretary, and treasurer. These boys help Mr. O. F. Umbaugh, the dean, in every way possible.

KIP, a name derived from the school motto, "Knowledge Is Power," is the student council of TTHS. The board is elected by the KIP members and is responsible for all activities and policies of the club.

Service

Hall Guard Organization is one of the bigger projects of the Boys Club but has its own officers.

A student directory, listing names, phone numbers, and addresses of Thornton students was published again this year by the KIP.

Thornton students were selected from the Medical Arts Club to assist the nurse. These girls used free periods in the nurses' office to help with filing health records, checking thermometers, and running errands.

Library assistants are in great part responsible for the smooth operation of the high school library. They check books in and out and assist in clerical work.

KIP Forum

Every Thorntonsite automatically becomes a member of KIP, the student council, upon entering high school. The KIP forum, a representative group in the council, is composed of a forum member from each homeroom. Elections are held in the fall of the year. The forum member's duty is to attend the regular meetings, held once a month, and to report to his homeroom the discussions which take place. He also carries back to forum meetings the suggestions made by homeroom members.

This year the forum, under the guidance of Tim Abraham, co-operated in planning pep assemblies to promote school spirit and sportsmanship, in managing the Lost and Found department, and in sponsoring the annual Homecoming. The forum elected chairmen for the gym jams everyone enjoyed so much.

LOST AND FOUND Barbara Boudreau, Nancy Karsten

Lost & Found

Lost and Found became the home of all good little misplaced books and utensils. The Lost and Found service is named by some as the KIP's most appreciated project. It is located in the KIP office, 107A. There many a textbook and pair of mittens the owner thought were gone forever are waiting to be claimed. Barbara Boudreau, manager of "Lost and Found" this year, urged owners to claim their property.

One of Thornton's most hard working organizations is the Campus Patrol and Safety Squad. Their job is to keep the campus free of paper and refuse during lunch periods. They see that safety rules are enforced to combat reckless driving. It is their duty to do away with smoking on the campus.

Although the group is a Boye Club project and works to keep the building and campus looking neat, they need and expect co-operation from the entire student body.

JUNIOR RED CROSS COUNCIL—*Row 1:* Yvonne Langlois, vice-president; Alberta Bloomer, president; Mary Jo Furth, secretary. *Row 2:* Jim Haddon, treasurer.

Life at Thornton wasn't all work and no play. During the year, students had a chance to work on Junior Red Cross projects. The Christmas stockings and the party-in-a-box were fun and brought some cheer to the people who received the things Thorntonites had made. The whole school was reminded of civil defense through the efforts of the JRC. Thornton was the only school in the Chicago area which had a system of homeroom representatives.

Service Groups

Anytime someone needs a pencil or some paper, or even a slide rule or any of those all-important rental ice stubs, he knows where to go—to the bookstore, naturally. Here on the second floor, by the girls' small gym and room 218, the student clerks, under the direction of Mr. Peterson, sell any supplies that students may need during the school term.

Harvey Hooters were always on hand to add a gay bit to the entertainment at any of the social events around THHS. They made us laugh with their routine to the "Chocolate Shake" at the Homecoming dance last fall.

The projection squad is one of the busiest of all the Thornton service organizations. It is their job to see that projection equipment is in the right place at the right time and that there is an operator to show the movie to the class. Since September, they have shown more than 1,500 films to all of the eleven different departments.

Magazine Drive

Again this year, the magazine drive, sponsored by the Girls Club, was financially successful both for the club and for the prize winners.

Medical Arts Club, known to all as MAC, is for girls interested in a medical career. MAC is sponsored by Miss Dorothy Lieb, school nurse. Members of the club, during their free periods, learn a lot about the job and about human nature, from assisting the two nurses.

Service Project Committees

Through a sheet of rain many Thorntonites and alumni came in for the big Homecoming dance. There was a lot of excitement and tension in the huge crowd. Crowning of the Homecoming king and queen was the highlight of the evening. The big Homecoming game had been a victory for Thornton and there was a brand new king and queen. The theme was "Holiday Rhythm". Everybody had it on this big, exciting night. Rain may have dampened the girls' curls, the boys' ties, but nothing had dampened their spirits.

Freshmen who came had a new kind of fun. Seniors had a big night to add to their page of pleasant memories.

Girls Club committees are always busy with welfare groups, refreshment crew at football games, entertainment, tickets for sale, and refreshments for dances.

There are plenty of jobs for girls looking for things to do and fun to have. Activity points, Junior Service Awards, Freshman Stand-Up, marshals, group meetings, Oak Forest Welfare are just a few of Girls Club activities.

Girls in the junior class had a hard time choosing the traditional May Queen Court to be presented at the Mother-Daughter Banquet. Last year thirteen girls instead of the usual twelve were selected because of ties in voting. Colleen Dardy was named queen and because of another tie, Sharon Davis and Pat Carroll were chosen the maids of honor.

The queen and the maid of honor are selected by all of Thornton's girls, but the court is chosen by the girls of the junior class.

In the Girls Club there are many committees on which all members work. In this way the girls learn by doing.

"Flapper Follies" was the theme of the traditional Freshman Stand-Up. It is at this party that freshman girls begin to feel they are a real part of Thornton, Oak Forest and the Home for Incurables are visited by the girls working on welfare. Big Sisters visit homerooms regularly to talk over problems with freshman and sophomore girls. The Marshals take over at assemblies, seating girls quickly and maintaining order.

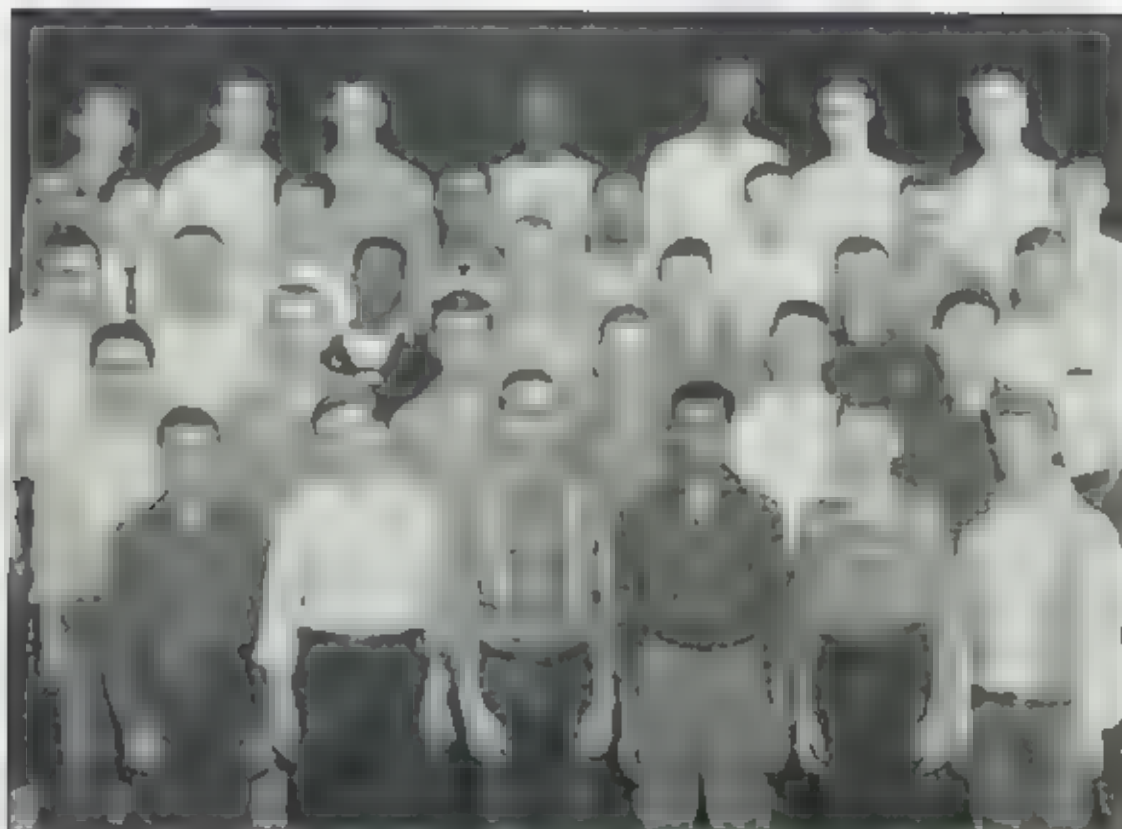

Pedagogs, Chairmen

Among the many school sponsored clubs is Pedagogs. It is a small, enthusiastic group affiliated with Future Teachers of America. They have THHS faculty and other teachers as guest speakers at their meetings and discuss aspects of teaching from kindergarten to college.

Since Thornton Township includes such a large area, buses are needed for transportation for students from neighboring towns. The Boys Club provides bus guards to maintain order and to protect students on the buses to and from school. Sometimes students give the bus guards a hard time, but the guards keep right at their job.

As we look through the picture frame, we see a very important and familiar scene - hallguards stationed at various posts along the halls. Their duties are to check all students in the corridors, during class time to see whether they have passes, to guide visitors, and to give directions to lost students, especially to the freshmen, during the first few weeks of school. A freshman is occasionally given the wrong direction, but what is life without a few laughs? All joking aside, Thornton has a hall guard organization that students and faculty members are proud of and will remember for a long time.

Student Policemen

One of the best known of the boys service groups is the Hall Guard Organization, sponsored by the Boys Club. Boys who make up this organization are the hall guards, campus patrol, safety guard, and bus guards.

The campus patrol is stationed outdoors to see that students keep the grounds neat and clean. They also watch for reckless drivers racing around the building during lunch periods. The safety squad has the job of checking the parking lots.

Newspaper

Robert Harmon, feature editor; Kathy Pansch, news editor; Valerie Tellez, news editor; Barbara L. Johnson, feature editor.

September, 1954, saw a new staff working hard to get out the first issue of the weekly *Thorn-tonite*. They learned how to write feature stories and news stories, how to compute heads and estimate column inches.

It was hectic, this business of reporting, but profitable and enjoyable, too. While learning essentials of journalism and how to edit a newspaper, they developed a sense of responsibility and of tact.

Before they knew it, the final issue of the paper was off the press and the yearbooks were ready to be distributed.

Yearbook

Publishing a yearbook as well as a newspaper kept the staff in a hustle. Carroll Kern and Karen Schmidt typed the picture identifications. Wally Baggs and his sport writers made statistics accurate and interesting.

Kathy Paasch and Bob Harmon wrote copy for the opening section. Bunny Culbertson and Bob Hoganecamp managed the advertising campaign. Everyone, reporters and editors alike, sold ads and wrote copy.

From the Art Department eleven students made drawings for the opening section. They were Janet Brown, Pat Cherullo, Marlene Czarniecki, Dorothy David, Pat Gibbons, Diane Hamlin, Gaylene Lundmark, Mary Beth O'Connor, Judy Porter, Larry Sosa, and Mary Skerry.

Roger Van Veen and Keith Turkington, sports writers.

UN JV Band

United Nations Club is an organization where students meet to discuss current events and to exchange political ideas and views. During the year UN Club had a few distinguished visitors at the club meetings to give lectures on interesting subjects concerning world problems, wants, and needs. Participating in a contest sponsored annually by the American Association for the United Nations was one of the club activities. The contest was in the form of a written exam on current events.

Thornton's Junior Varsity Band is a group which prepares musicians for a later entrance into the Concert Band. The group is made up mostly of freshmen students who want to take a part in Thornton's music activities.

New members of National Honor Society are announced on Honors Day. Membership is based on scholarship, service, character, and leadership. The number of new members must not exceed fifteen per cent of the senior class nor five per cent of the junior class enrollment. As a money-making project to pay for NHS pins, the group sold purple and white pencils with the 1954-55 basketball schedule printed on them. Everybody wanted to get one of those pencils.

Wednesday mornings would find the Thorn-tonite office busy as a beehive. Every Wednesday some seventy newspaper distributors would get interviews, pick up their distribution lists, count papers, and, when the bell rang, be on their way to deliver the bundles to their respective rooms.

French. German. Spanish

SPANISH CLUB

Spanish Club activities began rolling as nominees for officer presented their skits or election campaign speeches at one of the early meetings. Initiation consisted of trips through the Chamber of Horrors, followed by the performing of various amusing stunts. At its Christmas party, the club celebrated in typical Mexican fashion by breaking the *pinata*, which showered candy for everyone there.

One of the big celebrations was the Spanish Club carnival, where there were booths, games, prizes, music, dancing, and fun for all.

GERMAN CLUB

Games, speeches, stunts, and skits presented in German were some of the features of a typical Die Deutsche Ecke meeting. Some of the "specials" were color slides of Europe, and German folk dancing with an instructor from Germany. These monthly meetings helped students from the different classes to become acquainted, and gave everyone an opportunity

to converse and to sing in German.

For initiation and folk dancing, members wore German folk costumes. Each meeting was a gay occasion with music and refreshments.

The club sponsored correspondence between its members and students of English in Germany, Austria, and Switzerland. Every letter was written in both German and English.

GERMAN CLUB: Row 1: Charles Dake, president; Bonnie Johnson, secretary; Leah Poppel, treasurer; Row 2: Lawrence Iwan, 1st vice-president; Howard Doster, 2nd vice-president.

For the second meeting of French Club, members of second and third year classes prepared an initiation program. At their "Exhibition of Paris" initiates helped build the Eiffel Tower, dug up the body of an unknown soldier, took a walk along les Champs Elysees, and were even subject to threats of execution by the guillotine. At the end initiates took the club pledge.

FRENCH CLUB

Variety show, the Mardi Gras, and a sidewalk cafe with floor show were big events for French Club. The group sponsored a map of France contest and a notebook contest, with prizes being given for the winning entries. In the spring the annual French contest was held.

Students wrote skits, which were produced in French. Sometimes they dramatized what they were studying, and on other occasions, put on puppet shows.

Hi-C's, a name which stands for Hi-Crusaders, held weekly meetings on Thursdays. Devotional talks and singing were a big part of club activity.

Retail Selling Club was organized this year. Courtesy in salesmanship was the main object.

Debate tripled its enrollment of 1953-54. The team worked hard all year doing a good job.

Talks, Pictures, and Plays

Camera Club members met to discuss and share their interests in photography. Problems were considered, and dark room development methods were taught.

Foothlighters, under the direction of Mr. E. C. Ohlert, is Thornton's student drama club. Officers and managers had the important job of working together to make productions a success. Members learned to practice and develop what acting ability they had and planned the stage settings for the plays which they presented once a month.

An important group at Thornton is the Band and Orchestra Parents Association. Its main purpose is to assist the two music groups in every way possible. The association secures money for necessary equipment, uniforms, and concert tours by sponsoring such projects as dances and tag days.

The TTHS orchestra plays a very large part in school activities. Some events at which the orchestra performed were the Optimist Club Forum, the Christmas Concert, and all of the plays. It played at the Junior-College commencement. Very often members of Thornton's orchestra were able to make the Chicago Youth Orchestra.

Near the close of the school year the band and orchestra held their annual picnic at which awards were given to students.

Thornton Musicians

One of the special honors here at Thornton is to be chosen to the Madrigal Singers. Thirteen members, who were selected from Mixed Chorus by tryouts, make up one of Thornton's top choral groups. Some of the programs in which the group participated were the Christmas Concert and the Spring Festival. Performances outside of school were also given - such as hospital appearances.

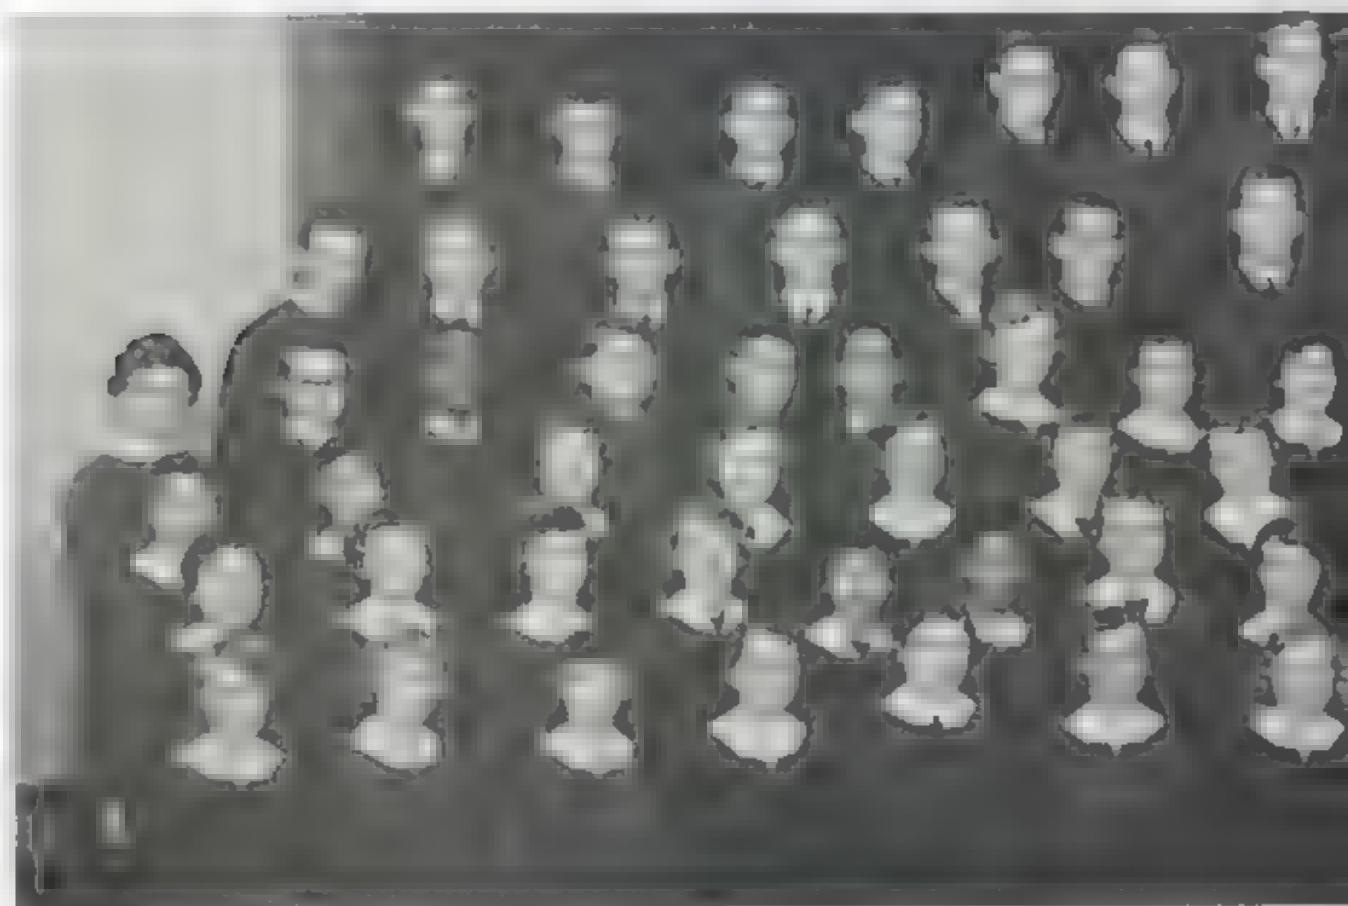

The Keydets - which consists of all girls, is also a top choral group at Thornton. All members are chosen from the Girls Choir. The group performs at many Girls Club assemblies and some events outside of school. Other programs in which the Keydets participated, under the direction of Miss Mary Thompson, were the Spring Festival and the Christmas Concert.

STRING TRIO Sandra Skye, Nancy Manville, Linda Schaefer

Throughout the year, many were thrilled by the sweet voices and harmony of the Girls Choir and the Freshman Girls Glee Club under the direction of Miss Thompson.

Mr. Armbruster prodded the boys into making beautiful music upon occasions.

When Thorntonites had an opportunity to take part in the All-State Music Activity at the University of Illinois, they were enthusiastic.

The string trio played for both school and community activities.

Concert, Festival

The traditional processional by members of the Mixed Chorus, singing a medley of Christmas carols and carrying lighted candles, once again opened the annual Christmas Concert. All of the other choral groups and orchestra participated in the program too, to play and sing all types of Christmas music.

The concert was presented once on Sunday for the public and again on the following day for the student body at a special assembly.

Spring is the time for singing. That is what all the music groups at Thornton do at the annual Spring Festival. There were various selections by the Freshman Girls Glee Club, Girls Glee Club, Girls Choir, Boys Glee Club, Mixed Chorus, and both the band and orchestra.

One of the main features of the festival was a piano solo played by the winner of a contest to determine just who that soloist would be.

A very special event happened at Thornton this year. For the first time in about twenty-five years new uniforms for the band were purchased.

The style of the new uniforms is similar to that of the United States Air Force. Besides the basic uniform, the outfits also include emblems, hats, citation cords, and belts.

Members of the band were seen for the first time in their new uniforms at the Band Concert on February 27.

"Arsenic and Old Lace"

As the Brewster spinsters engaged in their interesting hobby of serving poisoned wine to elderly gentlemen callers, and had their brother Teddy bury the bodies in the Panama Canal (actually the cellar), the riotous comedy "Arsenic and Old Lace" put on by the Boys and Girls Club, November 19 and 20, became a tremendous success.

The Cast

The splendid performance turned in by all those who participated in "Arsenic and Old Lace" was the result of many hours spent at rehearsals. Memorizing, acting, and hard work were all just part of the fun in making the play a hit.

Those who made up the cast were Sandra Potrafke, Carolyn Shannon, Bob Dearborn, Byron Kutscher, Don Krause, Penny DeMack, Peggy Hemo, Carol Sutor, Gerry Tubacki, Jim Heffernan, Marshall Fisher, Don Smith, John Tripp, Jim Ertle, John Peiguss, and Charles Duke.

Mr. E. C. Ohlert, dramatic coach, gave all the help needed for their success.

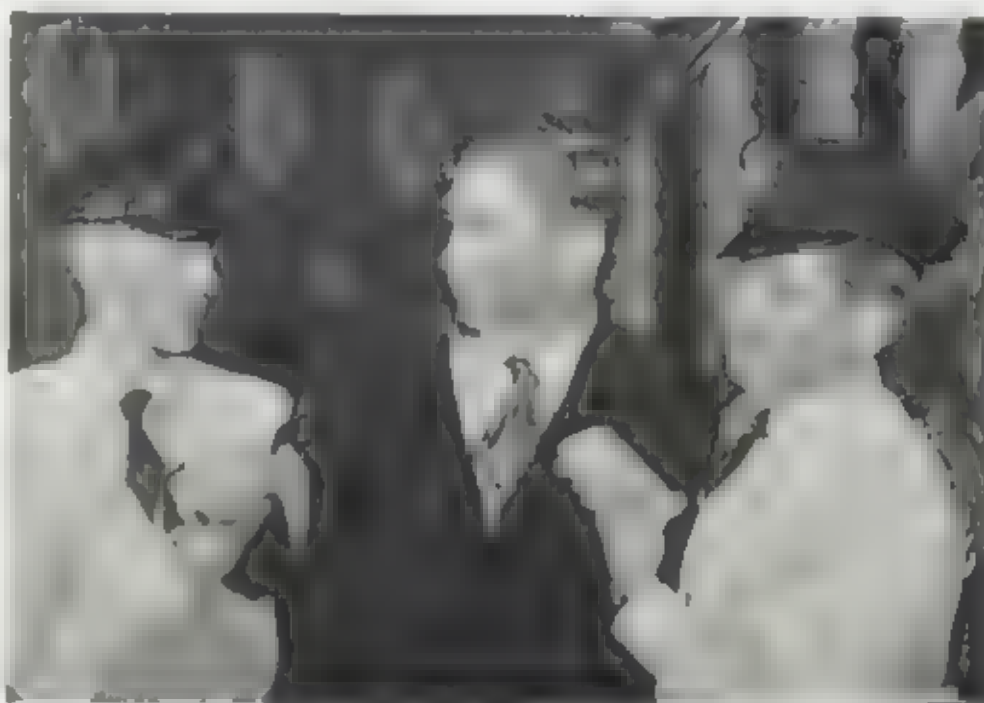

Helpers

Actors weren't the only ones who put many hours of time and effort into "Arsenic and Old Lace" to bring about its success. Without the aid of the management, lighting, scenery construction, and make-up, the curtain could not have gone up.

Several senior girls also gave their time to usher people to their reserved seats at both performances. Among those who ushered were these: Judy Karsten, Judy Jensen, Gillaine St. John, Elaine Degenhart, Carol Heberling, Delores Collett, Barbara Johnson, Diane Dandlap, Nancy Manville, Goldie Cochrane, Elva Wolf, Virginia Paulsen, Lois Cohenour, Marilyn Ferkan, Colleen Dardis, Joanne Calo, and Hene Pajak.

"WHEN GIRLS ASK BOYS FOR DATES" — Tim Williams, Mary Roach, Janet Nolting, Penny DeMack, Sandra Gioconda.

One of Thornton's most active clubs was Footlighters. Students developed their acting ability by giving plays for the entire student body after school.

One such play was "The Haunted Castle." As each set progressed, the audience realized that Johnny, the hero, was the victim of a foul plot that would deprive him of his inheritance. But in the end, everything turned out fine, of course.

Another play given by Footlighters was "When Girls Ask Boys for Dates." In this comedy girls did the asking and the entire procedure was turned around. Not only did they ask the boys for dates, but paid the bills, and got the family car as well. Some amusing situations developed.

On and Off Stage

Then there was the last minute rush with scenery that defied the laws of gravity and costumes that defied the laws of style. ("But it has no waistline!") During all the confusion Mr. Ohlert, sponsor of the Footlighters, managed to stay calm. And the whole school felt the effects of his direction in "Angel Child" and "The Hunted Castle." Memorizing of

lines was important, but other things were just as much so—like lighting, scenery construction, makeup, and management. There was fun at rehearsals when an actor said a line backwards and came out with something amusing. By curtain time, everyone was sure that he could not act, but at the end of the play he knew that he'd do it again.

Cheering Thornton's teams on to victory and waking up school spirit were the big jobs of the cheerleaders, who were equal to the task. Yelling by the junior varsity cheerleaders helped the sophomores in their basketball and football contests.

Being elected to the Lettermen's Club was a major honor for all the club members. Projects of the club were the selling of football programs and the selling of refreshments at basketball games.

Leading the band in football formations and performing half-time feats, the twirler corps thrilled the spectators.

At home games the ushers kept the crowds in orderly form and gave minor services for the comfort for the fans. They had troubles, but did their jobs.

Football. A Major Sport

Bob Godwin, 21, gets ready to tackle Blue Island's Streinhardt as the Wildcats swept by the Cardinals in a conference test, 7-0. Immediately behind Godwin is Benny Crisler.

Outrunning two Hammond Bishop North defenders, Phil Pendleton, 60, is the super fast tie back. Pendleton scored his first two touchdowns coming on a 60 yard sprint.

At Thornton

Thornton's Jay Zapf, back 30, appears undecided as his George Harrop, 40, drives in for the block that will send the big forward on his way to another long run against East Rockland. East defeated Thornton 76 to the Cat's only loss during the season.

Dick Bennett, Thornton's all-star guard, has just interrupted a pass in the homecoming game and is being brought down from behind. In the 1979 wrap-up of Duvall, Bennett kicked two extra points. Jerry Leake vs. Herman Ayres, 20, and Darrel Sanford, 40, unable to block the Duvall kicker.

Varsity Season

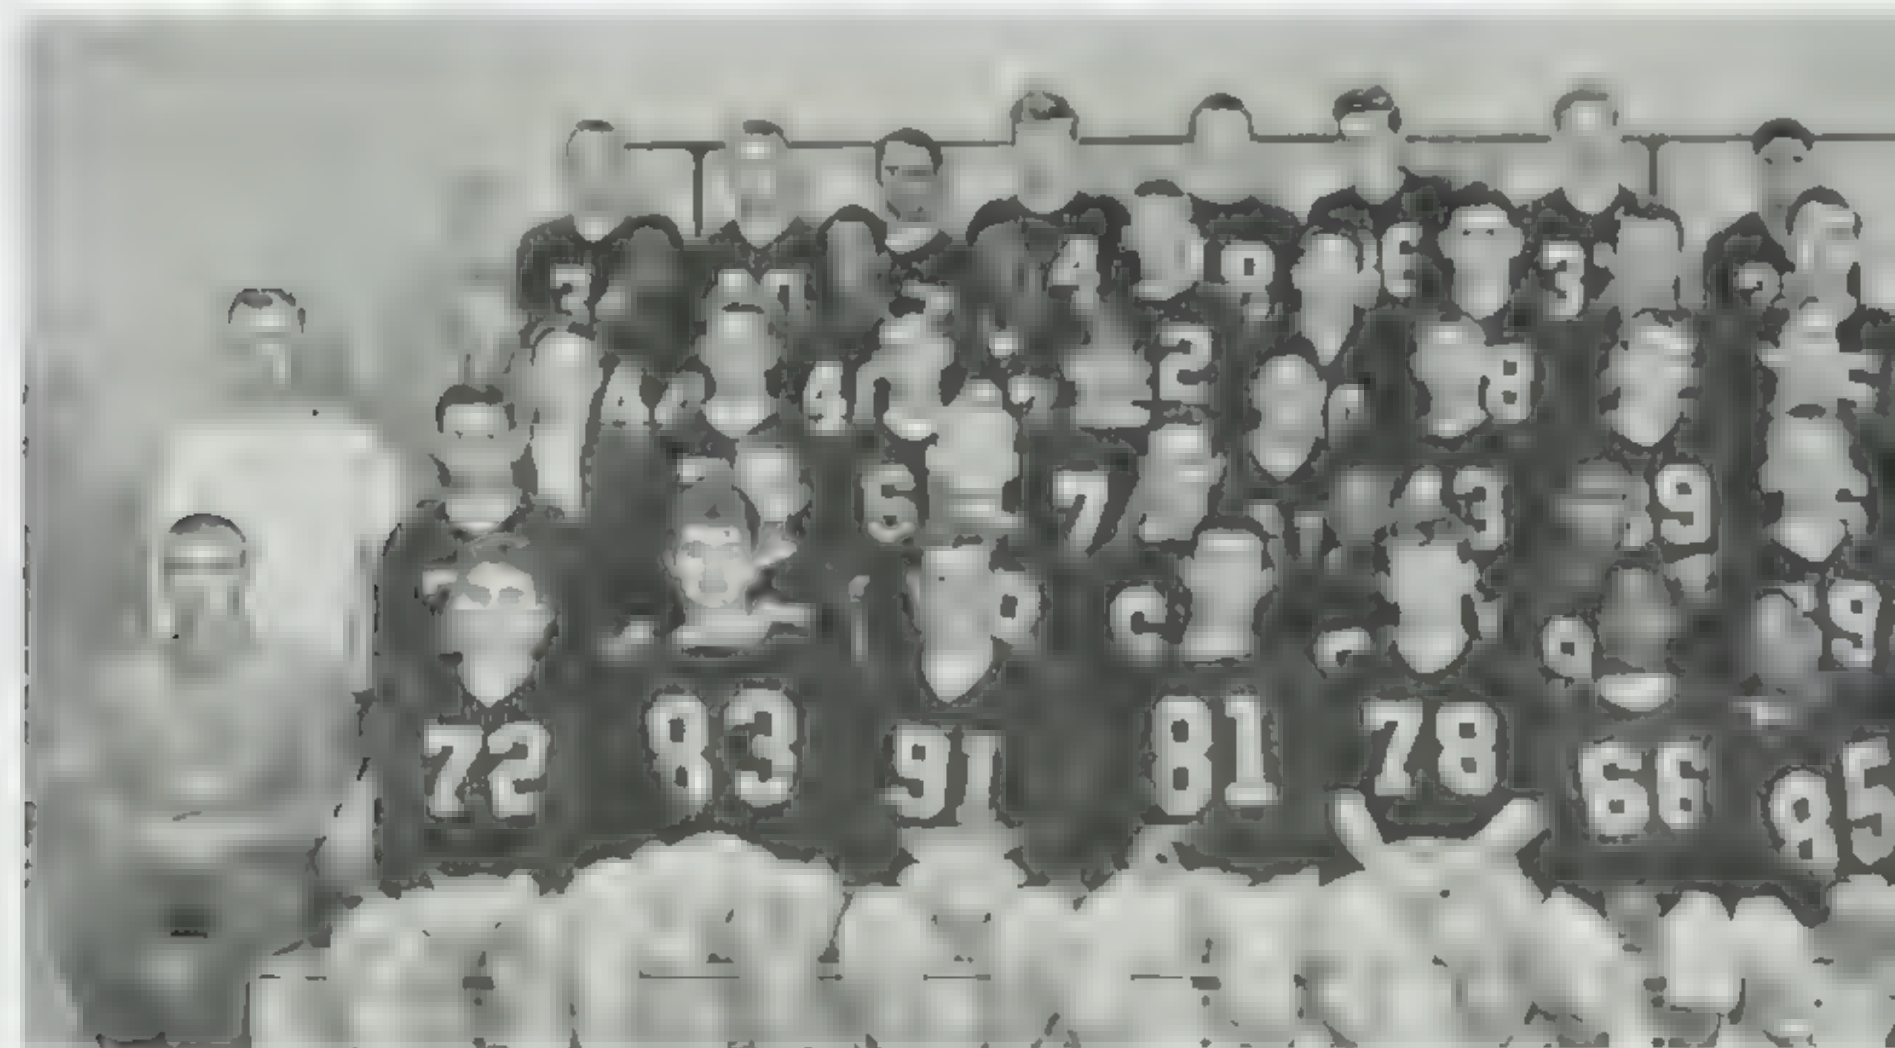

The 1954 football season brought another championship team and another All-State football player in guard, Dick Bennet. The boys were conference champs. Darnell Sanford was chosen Most Valuable Player, and Bennet was chosen Honorary Captain of the team. The opening victory, which came against Morgan Park, 11-7, was followed by the only defeat, with East Rockford, 7-0.

Then came a string of six well earned victories to close the season with a seven and one record. Argo fell 14-12; Danville was downed in the Homecoming battle 35-0; Bloom lost 7-0 in the one that meant the most to the boys; Blue Island and Leyden were just defeated by identical scores (7-6) on successive weeks, and Fractional failed in the showdown battle for the conference championship, 7-0.

Thornhontes are mighty thankful to the boys who had all the odds against them, but still came through like champions.

FRESHMAN SQUAD *Row 1:* Jack Robinson, coach; Dave Erickson, Norm Szymanski, Les Szymanski, Joe Grip-pard, Jerry Lammie, Joe Adams, Louis Lewis, Edna Herbert, Ed Hawkins. *Row 2:* Al DeGard, coach; Carl Bush, Bob Perkins, Sam Rensing, Jim Leo, John Wirtz, Nathaniel Edison, Ed DeVries, Tom Sullivan, Ken Drazdka. *Row 3:* John Olson, manager; Ron Robinson, Dick Nird, Joe Mukos, Russ Maranto, Kenny Scott, Dick Bradley, Wayne Kenneth, Billy Staszak, Jerry Moore. *Row 4:* Jay Klempfner, manager; Tom Davis, Larry Simpson, Bob Gray, Bob Novotny, Don Polworth, Tom Fuzka, Kay Buck, Harry Wakefield, John Cerra, Vincent Soudier. *Row 5:* Bob Kiersey, Bob Cresser, Earl Jones, Lou Salvatore, Gerald Lotz, Dennis LePonto, Bill Jenke, Art Dares, Tommy Scott, George Rozek.

Soph Season

Fresh-Soph football under the coaching of Bob Blaha and Ted Czech meant another successful year for Thornton. The outstanding player for the Wildkits was Paul Pendleton, who was a breakaway runner whenever he had the ball. Much of the credit for Pendleton's success goes to linemen Jerry Van Dyck, Ed Roan, Bill Mason, and Robert Pelworth.

The Kits started out the season by defeating Morgan Park 19-6, and East Rockford 13-0. The conference slate brought a 25-0 shellacking of Argo. A rough Hammond Bishop Noll eleven gave the Kits their first taste of defeat in high school competition, by a score of 33-13. Bloom was the next victim 13-0, but Blue Island gave the Wildkits their first South Suburban Conference loss 12-13. The Sophs ended the year on a cheerful note by downing Leyden and Fractional, 12-0 and 27-7 respectively, to gain a tie for the conference championship, and six and two record for the year. Several boys look as if they will see plenty of action next year on Tiny Huddleston's Varsity.

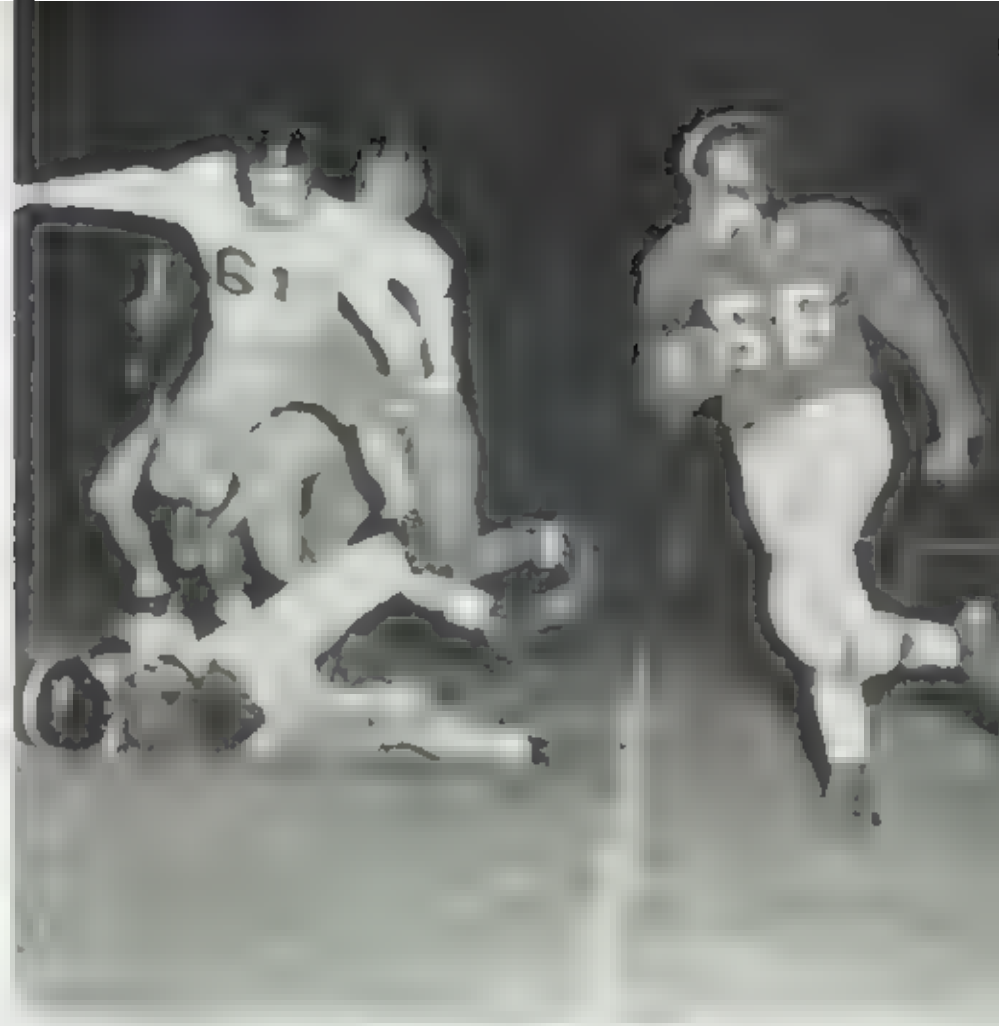

JV, Frosh

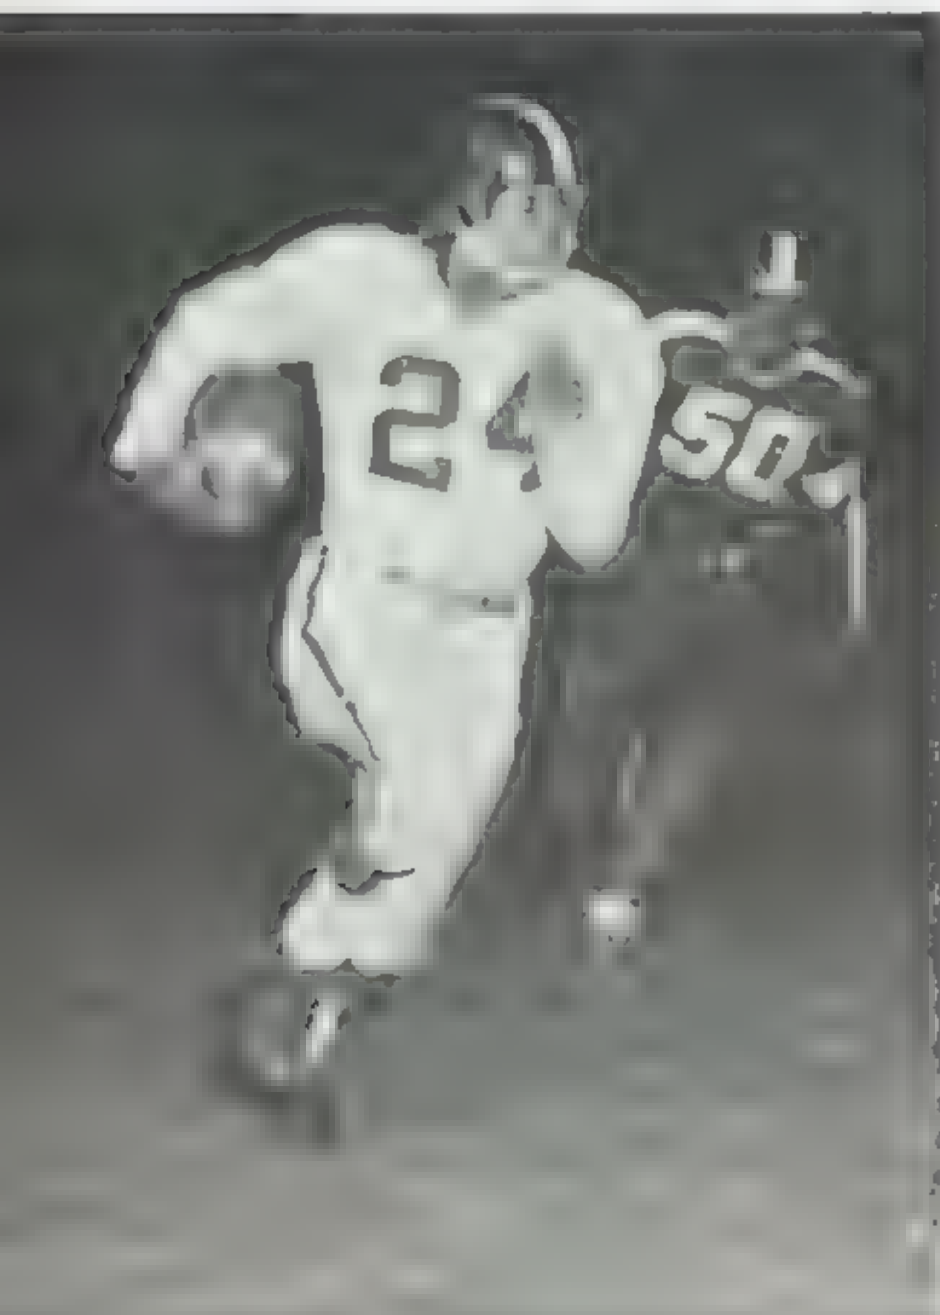

Thornton's JV football team ended their football season with a record of 1 win, 1 tie, and 2 losses. They edged Rich out by 1 point, 7-6, and then suffered a 7-0 loss at the hands of Evanston. The team went on to tie Bloom 19-19. They suffered their greatest loss from Blue Island, 31-7.

The Frosh squad ended their '54 season with a record of 3 wins, 4 losses. Dropping the first game to Fractional, 33 to 0, they lightened the picture by defeating Argo, 7 to 6. They also won over Blue Island 12 to 7 and E. Kankakee 14-7 while losing to Leyden, 13-27, Bloom, 7 to 20, and Kankakee, 7 to 20.

Thornton's leading scorer Darnell Sanford, 21, breaks away from two Danville players. Sanford crossed the goal line three times in the 35-0 homecoming victory.

Trying an end run, Pat Pendleton crosses the 15 yard line in the 33-13 win by Hammond Bishop Noll. It was the first of two losses suffered by the Wildkats, who came up with a 6-2 record.

Coaches Bob Blahn and Ted Creech give instructions to Milton Tucker.

Chuck Truby (60), Thornton's quarter back, reels off a few yards on the left side of rock against Bloom. Although the game was ultimately won by Bloom, Thornton made the score 7-0 on a Fred Sanford pass in the second quarter. For Truby took on a heavy load to keep his team in the game.

Basketball

Basketball spelled success for Thornton, as usual, as the Cats were rated with such powers in the state as Moline, State Champion West Rockford, Elgin, Princeton, and Pinckneyville.

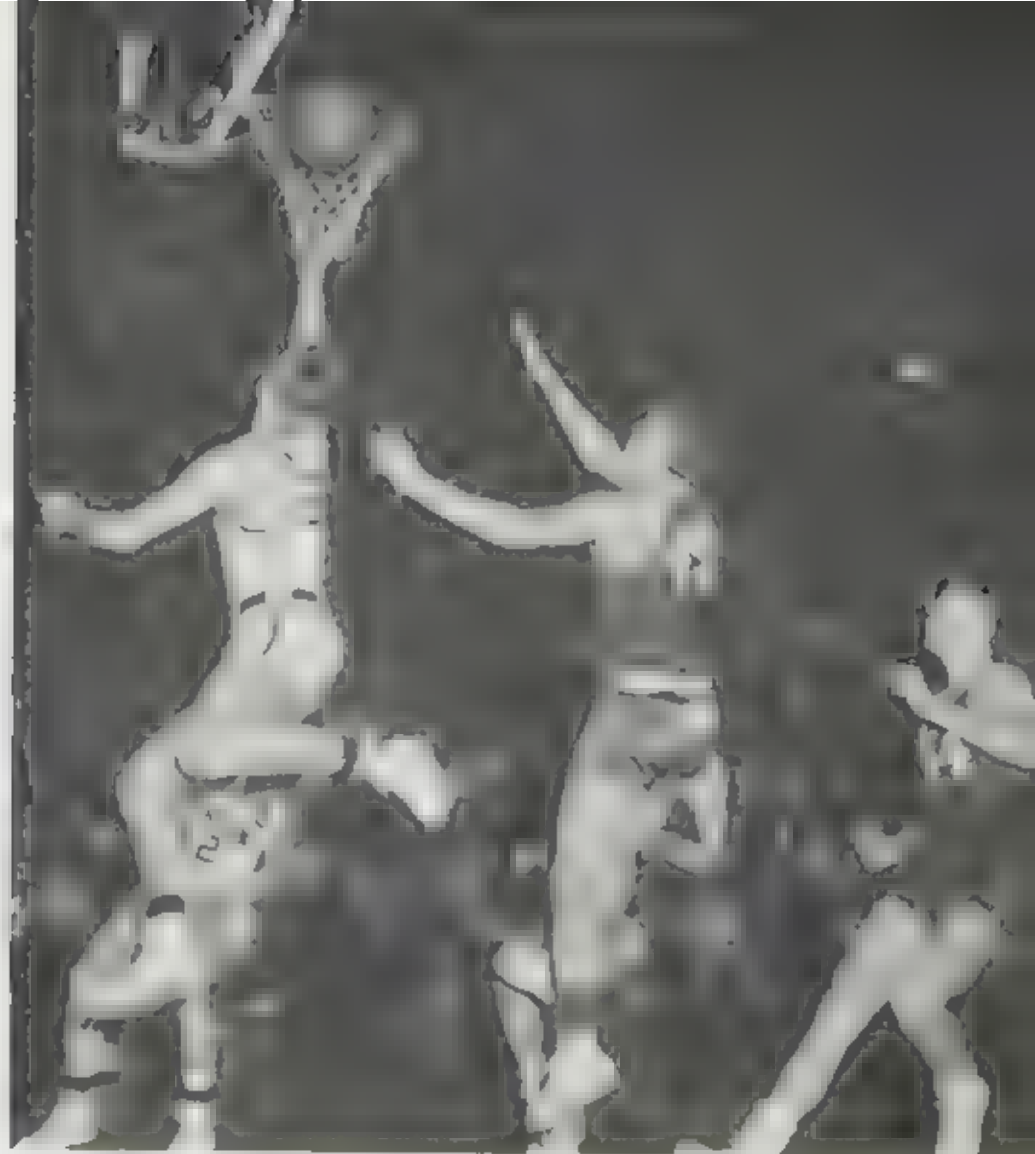

Thornton was led by two great stars, Russ McKibben and Ed Creach. Russ was on the second All-State team and both were on the All-League five. Jack Foster, another important man, placed on the second team.

The Cats' season record was 21 wins and 7 losses. The big victories of the season were Bloom, Lockport, Moline, and three times over Blue Island. The losses came against Bloom, Leyden, Lockport, York, Elgin, the state runnerup, and twice to Rich Township.

Thornton's all-stater, Russ McKibben, who set a new Thornton season scoring record of 33 points, dribbled during the 3-42 regional conquest of Bremen.

Driving in for a lay-up is Jack Foster in the regional championship game against Blue Island as the Wildcats won their own title with a 64 to 44 score.

Soph Season

Thornton's sophomore basketball squad ended their season with a total of twelve victories against nine losses in twenty-one starts. The Kits outscored their opponents by 1129 tallies to 960. Teams defeated by the Kits were York, Blue Island, Lockport, Kankakee, Argo, Elgin, Riverside-Brookfield, and Rich. The Kits were defeated by Thornton Fractional, Leyden, Bloom, LaGrange, Peoviso, and Moline. High scorers were Jim Yavencue, 329, and Rich Brown, 231.

Coming down with a defense rebound, Ed Creach, who was second in Thornton scoring with 46, points, gets ready to defend the ball as Phil Schmitt, 14, and Russ McKelben, 33, watch the action in the 52 victory over Bloom.

Ed Creach, Thornton forward, puts in two of the 39 points he scored against Blue Island in the regional finals, while teammate Russ McKelben hit for 29 points in the last game of the regional.

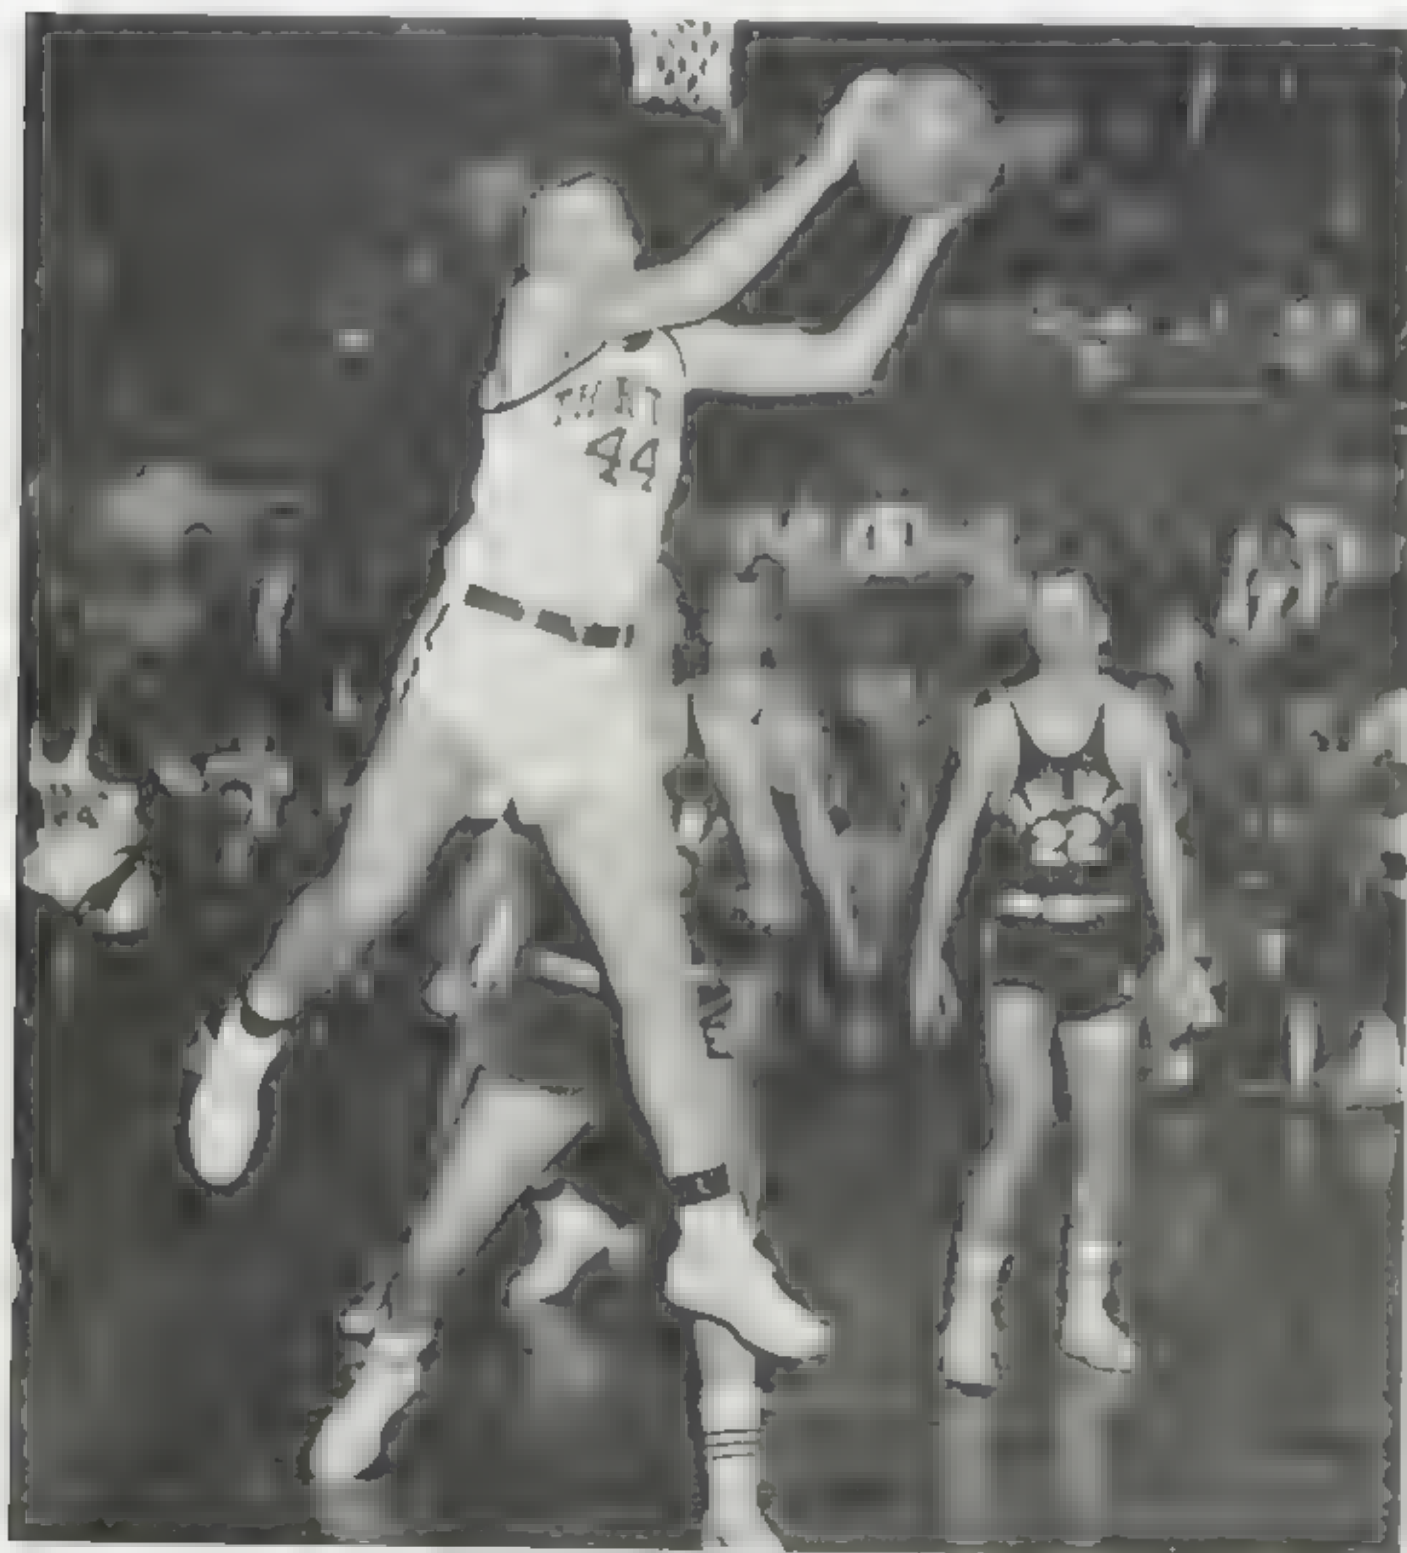

Regional Tourney

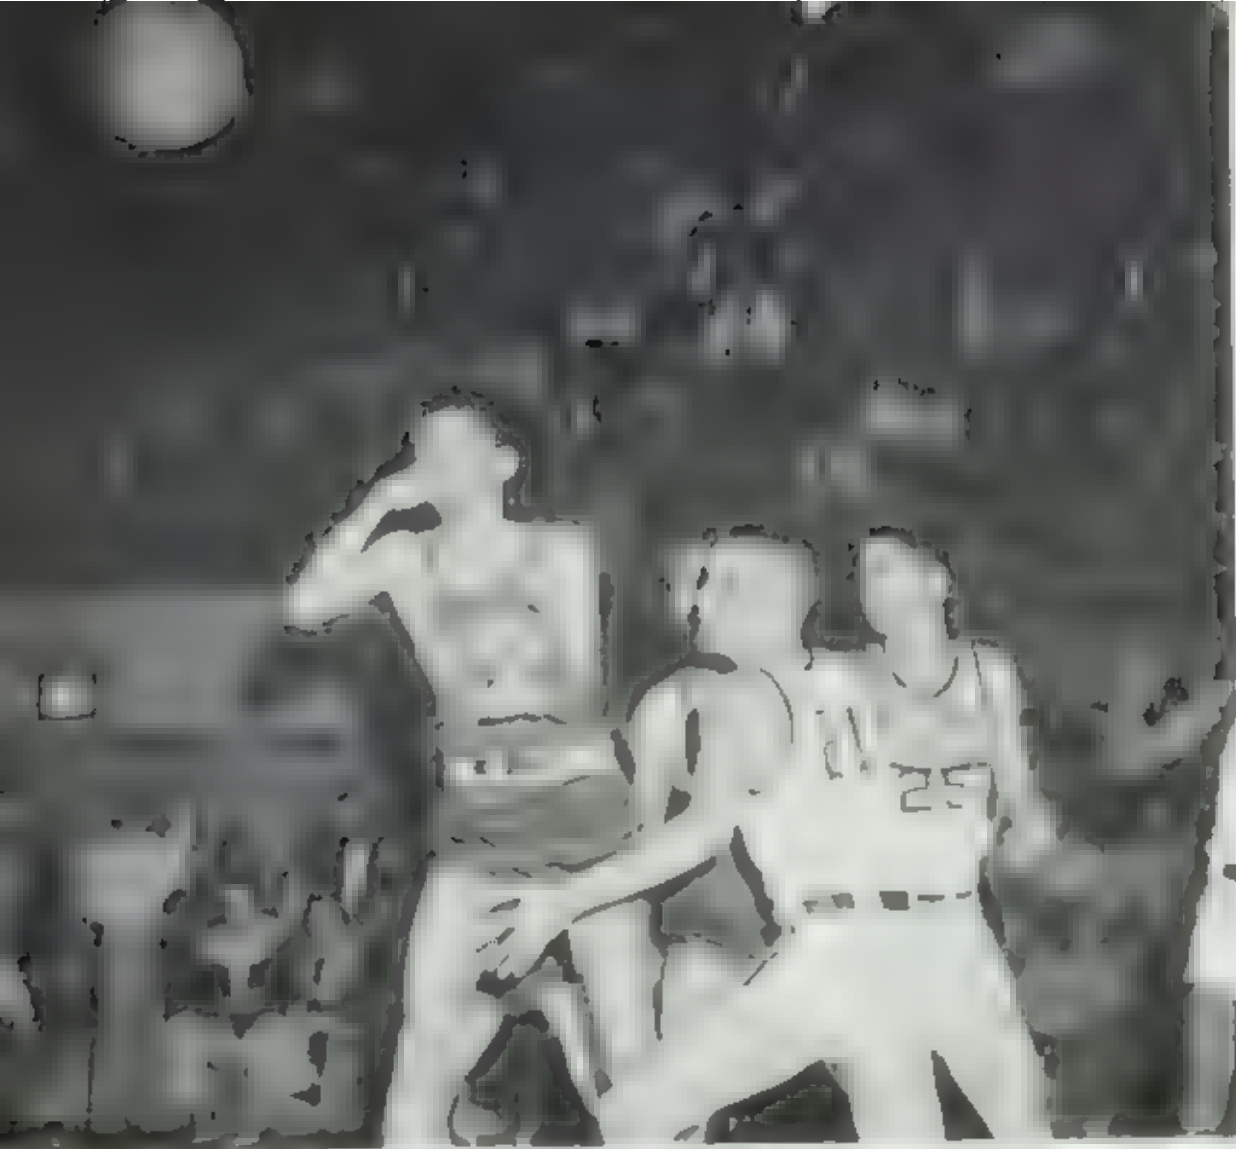

The Regional Tournament was held on the Thornton floor this year. The Cats were untouchable as they romped to their second straight title against the local foes. Thornton's average margin of victory in the Regionals was 27 points per game. Thornton defeated Bremen 85-42, John Catholic 63-40, and Blue Island 68-54, as the Cats moved on to the Hinsdale Sectional. The first opponent, Downers Grove, West Suburban League Champs, fell 90-80 in a hectic battle. But Rich ended Thornton's Sweet Sixteen hopes 72-57.

Rebounding for Thornton was Phil Schmidt, tying the Morris contest which the Cats squashed by the Maroons 35-13. Moline was one of the finest teams in the state with a 30-3 record, losing to Thornton, West Rockford, and Princeton.

Smiling and happy are Thornton's captains, Russ McKel and Jack Foster, as they were presented the Thornton Regional trophy by Dr. Ernest Hanson. The Wildcats won their second straight regional crown as they whopped the Blue Island Cardinals 68-54.

Thornton sophomores Dave Ring (left) and Dick Brown (right) who sank a game tying bucket in the last second, watch an opponent miss a shot during the 6-5 Bloom overtime win.

Thornton's junior varsity basketball team had a 7 and 3 record this season. The jay vees defeated Bloom twice, by scores of 54 to 36 and 53 to 40. Thornton's jay vees scored the highest game of the season against Blue Island, 85 to 24. Mary Smith and Laddie DeVore were high point men during the year.

Dick Brown, Thornton sophomore forward, attempts a pump shot in the 46-40 loss to Moline's Elvira Ring. He moves in for a possible rebound.

Wrestling

Twice in a row! That's what Thornton wrestling fans were saying when the Mat Cats brought home their second wrestling championship trophy in two consecutive years. Those who were instrumental in the victory were Benny Crisler, Chuck Truby, and Don Paarlberg. These were the individual state champs. Bob Godwin and Frank Triumph also added points to the final score.

This year's squad won over Hirsch by a score of 40 to 11; Elden by 33-13; Blue Island 42-8; Waukegan 33-32; Hinsdale 39-10; La Grange 20-18; Joliet 36-11; Evelyn 17-5.

They lost to Oak Lawn by a score of 29-21; New Trier 31-16; Proviso, 23-19.

The varsity squad won not only the state, but two other tournaments and placed in a third.

A first for Thornton, this year, was participation in a Christmas tournament. It was the first of its kind ever held in Illinois for wrestling.

Coaching the Mat Cats was Ted Czech, who has really done a terrific job.

Benny Crisler, state champion, attempts his favorite hold on Don Parsberg, Thornton's 175 pound wrestler.

Baseball

Baseball came in with the spring, and along with it came the usual balmy weather, which meant that early workouts were limited to the batting cage in Buda Gym. Prospects for bettering last year's 7 and 10 record seemed very good with four regulars returning. They were Dick Bennet, short-stop; Butch Pearson, catcher; Benny Crisler, outfield; and Laddie DeVore, outfield. Other starters were Lonnie Austin, Al Petty, Chuck Armstrong, and Ed Shields.

This spring's squad had returning lettermen to provide what appeared to be a better than average season. Each of the lettermen had his own individual specialties in track events. Co-captains this year were Larry Taylor and Dave Wickersham. Returning lettermen were Darnell Sanford, Frank Babiarz, Bob Hansen, Ken Vincent, Bob Godwin, Willie Turner, Paul Edgell, Roy Gonzales, George Harrop, Taylor and Wickersham. Coach Frank Bauman had plenty of other team members earning their letters, too.

Intramural Sports

Intramural sports offered a whole year of interesting and varied boys' activities. Thirty-four basketball teams began the competition in the autumn. These teams formed three separate leagues, that provided competition in each grade level. The end of the season on November 15, spotlighted three proud champion teams.

Cold weather brought the individual sports to action. Table tennis, shuffle-board, chess, and checkers, offered entertainment for all.

Volleyball, softball, tennis, horseshoes, and badminton completed a year of fun and enjoyment.

Intramurals couldn't have been a success without help from the managers, who kept the sports on schedule.

Gym Classes

Physical education teachers were aided by gym leaders. These students took attendance and helped instruct classes in many kinds of activities. The girls have their own special class where they learn the sports before helping in the instruction of them.

GAA Board members executed the best extra curricular girls sports program. The Dad-Daughter Play Night, the annual picnic, a play-day for girls of two other schools, and the sports seasons of basketball, badminton, swimming, baseball, modern dance, and volleyball provided a year of the best activities.

A co-ed gym class was held as an experiment, with good results.

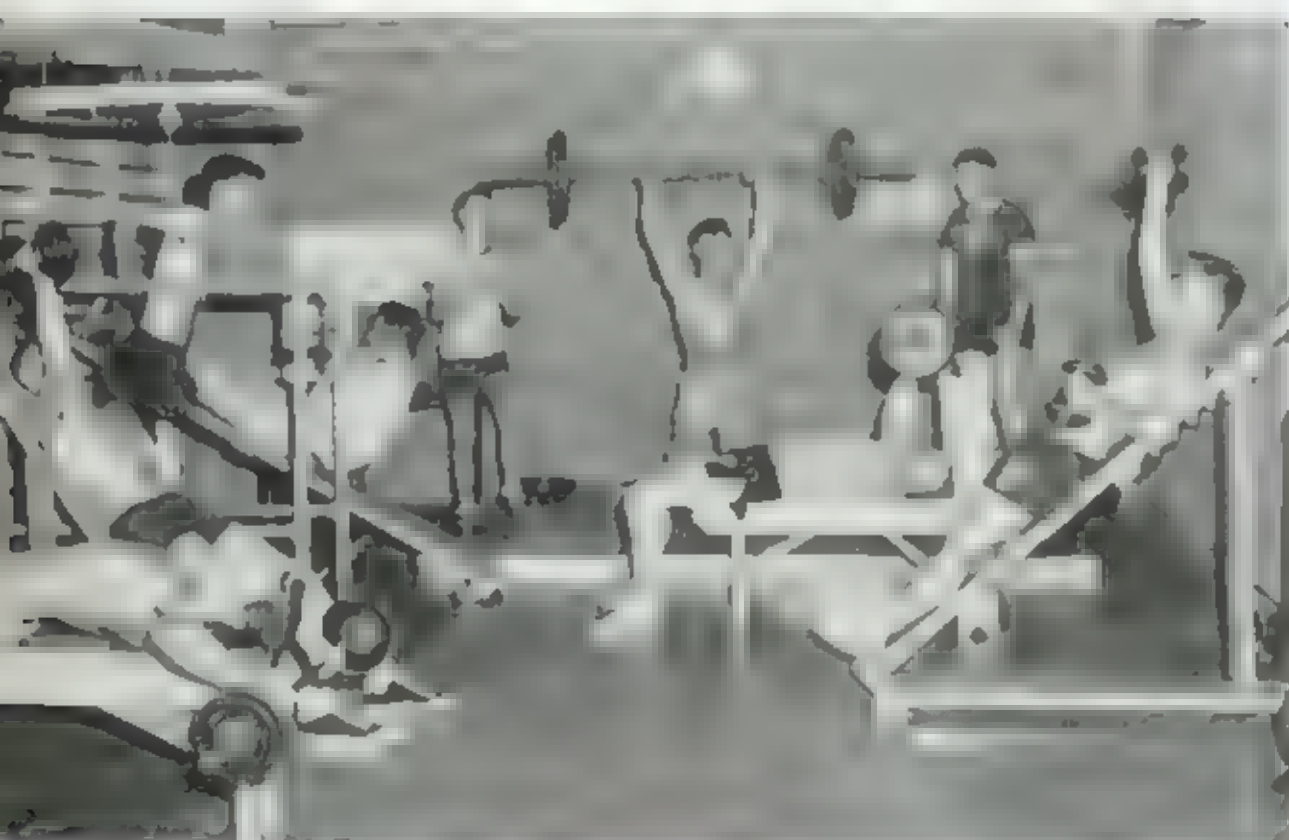

Boys in co-ed gym class found out that dancing with girls wasn't such a bad sport after all. Girls wished that more boys would learn so that they could dance at P.N.'s.

Classes Develop Skills

Not only is archery a favorite sport for girls - Helen Crider, Ann Marie Jones, Maryna Crkovich

Senior girls enjoyed a program of varied activity. Putting on parties and learning East-And techniques constituted part of the work in the classroom. The active sports included shuffleboard, archery, volleyball, badminton, table tennis, and golf.

Sophomores and juniors could have their pick of sports, modern dance, or swimming.

THIS IS IT . . . OUR

Personnel

Students and teachers are the most important people at Thornton. We worked with each other and for each other. But the office, cafeteria, and maintenance staffs were indispensable, too.

Board of Education

Mr. William B. Kane, Mr. George E. Galley, Dr. C. E. Simon, Mr. Henry Vandenberg, Mr. Henry J. Van Der Giesen, Mr. Fred F. Ehlert, and Mr. George H. Meyer, who composed this year's Board of Education, have a sincere interest in improving the program and in providing the physical facilities that are necessary at Thornton.

The Board has engaged the Office of Field Services of the University of Illinois to make a comprehensive school building survey in order to plan for sufficient facilities for the large increase in enrollment which Thornton will experience during the next ten years. A survey of this type will include an analysis of educational needs, pupil enrollments, finances, school program site needs, junior college, school plant, and a recommended program of plant development based on educational needs and adapted to financial resources.

Deans, Principals

Thornton's two deans and four class principals play an important part in the guidance of each student who enters Thornton. The dean of boys supervises the operation of the Boys Club and the activities it sponsors, besides being head of the hall guards, bus guards, and campus patrol. The dean of girls helps girls with the problems they encounter in school and heads the Girls Club in the various social and welfare activities they plan throughout the year. Four class principals schedule the programs for each of the students who enter the school, take care of attendance, handle discipline when it is necessary, and give educational advice.

Senior Class of 1955

It was a busy year for the seniors, especially in attending sports events. With the opening of school in September, there were exciting football games, and thrill-filled evenings of basketball in the gym. There were wrestling matches and swimming meets. Track meets and baseball games came with spring.

Attendance at dances, variety shows, welfare organizations and other school functions was great. Treasured memories of the years spent at Thornton were many.

Seniors found themselves asking the question, "What next?" As men and women now looking ahead to tomorrow with eager anticipation, they made plans for jobs, college, the draft, and marriage.

Senior Senate: Row 1: Alex Roney, Stuart Davis, 1st vice president, Colleen Daniels, secretary, Porter Hey, assistant treasurer, Bob Hansen, president, Larry How, 2nd vice president, Jeanne Fine, assistant secretary, Joanne Gale, treasurer. Row 2: Loretta Lee, Gayle Lockwood, Sandra Swanson, Jim Little, Harry Frosch, Dennis Malloy, Chuck Drake, Darlene Gordon, Nadine Ebert. Row 3: Chris Crum, Bob Hammock, Alvin Jeyaret, Guy Reynolds, Thomas Peterson, Bob Merdal, Paul Ebert, Victor Schulze, Gene Robertson.

Senior Class Senate, composed of students elected by senior home-rooms, played an important behind-the-scenes role in the big events of the year. There were the Junior-Senior Party and the Prom, gold event of the year, to be planned.

Class officers had the responsibility of transacting the business of the class. Each day the president had the special privilege of raising and lowering the flag. All the officers acted as chairmen of the Prom committees.

One of the most exciting events of the year for the seniors was the coming of Honors Day, a time set aside to honor all the students who had served the school well throughout the year. Seniors waited as the hoped-for and dreamed-of scholarship awards were announced.

On Honors Day, both junior and senior members of the National Honor Society were named. To be eligible, a student must have shown outstanding leadership qualities, had a good character, made a high scholastic record, and been of service to the school.

Finally graduation came. The proud junior ushers and guides of the graduation ceremonies took their places amidst the beaming, graduating seniors. Juniors with the top scholastic ratings were selected for graduation ushers. The two highest of the junior class were guides.

We're not jokin'; there's NO smokin'.

The dance floor is for dancing—not romancing

The Purple-X will not link

Its good name with those who drink.

Your coke cups on the floor may be

When containers are filled to capacity.

In the halls, stairs, or between floors don't prance

What's the P.X. for? Come on! Let's dance!

We'll let you know now, so you won't grieve

You can't come back in, after you leave.
